

St. John Neumann Parish
EXECUTIVE ORDER No. 2020-21
COVID-19 Emergency Response

CHURCH
IS CLOSED

Governor Whitmer's SHELTER-IN-PLACE Executive Order mandates for non-essential businesses to close for 3 weeks in an attempt to control the spread of the COVID-19 Virus.

This executive order mandates Michigan residents to suspend activities that are not necessary to sustain or protect life.

This means that parish staff and volunteers will not be in the office or in the parish property. Voicemail will be checked regularly.

The church buildings will be locked. Live stream Mass & prayers will be temporarily disrupted at this time.

However, please continue to monitor the SJN website:
